BEAUTIFUL PROMISE

CELEBRATING 10 YEARS OF CHANGING CHILDREN'S LIVES

Dear Friend,

This year, we are proud to be celebrating 10 years of changing children's lives. Our annual spring benefit, Beautiful Promise is on Tuesday, May 5, 2020 at the Metropolitan Pavilion in New York City. Our biggest fundraiser of the year, this festive event supports the vital work of Promise Project, a program in collaboration with Columbia University Medical Center that gives at-risk children with learning disabilities a path to success in school and in life.

We invite you to participate in Beautiful Promise this year by making a contribution of goods and/or services for our stellar silent auction.

Beautiful Promise offers a tremendous opportunity to promote your brand to our elite and vibrant network of supporters. Last year over 400 influential New Yorkers attended this festive evening. With your participation, we hope to make this year's Beautiful Promise our best event to date.

A decade ago, Promise opened its doors at Columbia University Medical Center to provide New York City's most vulnerable children with learning disabilities the path to an education. Our groundbreaking research is paving the way for generations to come.

Please complete the attached form with a clear description of the goods or services to be donated, including retail value, and send it along with your items to the address on the form by April 15th.

If you are interested in purchasing tickets, please go to promise-project.org.

Your generous gift will make a world of difference for these children. They cannot succeed without us. We hope to see you there!

Sincerely,

Lori Buchbinder
